

# NITTO PACK

Solve your problem  
by Digital Printing Technology

## Variety design and variable printing

- ▶ Variety design for one product
  - Seasonal design
  - Campaign design
  - Serial numbering
- ▶ Reduction of new product input cycle

## Optimize inventory

### ▶ Conventionally

- Product MOQ does not match with package MOQ

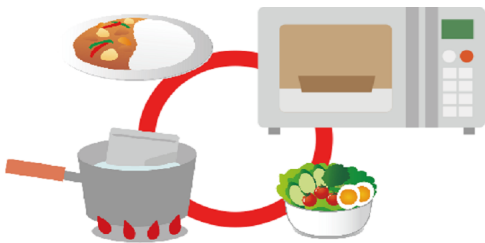

### ▶ By Digital Printing

- Printing as much as you need when needed

## Highly safe ink

- ▶ The ink is
  - complied with Japanese law and regulation
  - use the PL substance listed in Swiss Ordinance §817.023.21 Annex
- ▶ Our products can be boil or retort sterilized due to using heat resistant ink.
